DETAILED ACTION

Allowable Subject Matter

Claims 30-58 are allowed.

The following is an examiner's statement of reasons for allowance: prior art does not teach nor render obvious an amplifier stage that has a current source wherein the source of the first differential transistor is coupled to the current source and the source of the second differential transistor is coupled to the current source; neither does it have a first miller capacitance cancellation capacitor nor a second miller capacitance cancellation capacitor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
